Bridge Repairs for Lincoln Avenue

As part of the City's continued investment in the neighborhood of Walnut Hill, Lincoln Avenue Bridge will be painted and a new concrete deck will be installed. There will be a nine foot wide lane in each direction during the construction project. Work will begin on September 14, 2007 and continue through December 2007.

Drivers are encouraged to help improve safety by reducing their speed and using caution when approaching the work area.
